Contribution re-start for employees with 35 years or more of service

The College Pension Board of Trustees approved a plan rule change removing the 35-year limit on service accrual, effective September 1, 2009.

We are writing today to remind you that, beginning September 1, 2009, you must start deducting and remitting contributions for your employees who have 35 years or more of service.

If you have questions about reporting, please contact the College Pension Plan at 250 953-4324.
