ASSOCIATION (OUCFA)  
Faculty Settlement**

Date: November 9, 2004

---

On October 1, 2004, the Okanagan University College (OUC) reached a settlement with its faculty, OUC Faculty Association, for a new collective agreement for the term April 1, 2004 to August 31, 2005. OUC ratified the settlement on October 20, 2004 and OUCFA ratified the settlement on October 15, 2004. The PSEA Board of Directors ratified the settlement on November 9, 2004.

The settlement is a rollover of the agreement that expired on March 31, 2004 for a term of 17 months. The settlement is under a special PSEC/PSEA mandate for a term of April 1, 2004 to August 31, 2005 as that is when OUC will cease to exist and when (on September 1, 2005) UBC Okanagan and Okanagan College will come into existence.
