Consultation will be among the Vice President of Finance, Vice President of Employee Services, Vice President Academic, Association Contract Chair, Agreement Chair and one other person designated by the Association.

2.9 Consultation

The Association, Administration and Board of UCFV agree to operate on a basis of consultation on the present and future operation of UCFV realizing that the joint time and effort in planning will result in the best educational operation for all concerned.

2.10 Technological and Structural Change Consultation Including Cost Recovery Programs

Where new modes or models of instruction or other service delivery are contemplated, the proposal will be brought to a committee of management and the Association for discussion and consultation. The committee's findings and conclusions shall not be binding on either party, but shall provide a continuing forum for discussion and resolution of problems. Any decision taken will respect UCFV's commitment to equitable and comparable compensation, while recognizing that UCFV wishes to be flexible and competitive in attracting non-base budget funded programs. The committee shall consist of Association members, selected by the Association from among the general membership and from among those affected by the change, and management representatives as appointed by management.

2.11 Continuing Discussions

Subject to this Agreement, the Employer agrees to continue to discuss practices relating to members of the bargaining unit that traditionally have been the subject of consultation and discussion.

2.12 Use of UCFV Services

The Association agrees to reimburse the Employer for services at cost to UCFV.

2.13 Copies of Contract

The Employer shall provide a copy of this Collective Agreement to each employee within twenty (20) work days of entry into force of this Agreement as described in Article 5 (Term of the Agreement), unless

unusual circumstances make this impossible. In such an event, the Association will be notified of the problem as soon as possible, and in any case fifty (50) copies of all negotiated contractual changes will be supplied to the Association within ten (10) UCFV working days of entry into force of this Agreement, as described in Article 5 (Term of the Agreement).

2.14 Job Description

The Employer shall provide each staff member with a copy of his or her current job description.

ARTICLE 3: CHECK-OFF OF ASSOCIATION DUES AND MEMBERSHIP IN THE ASSOCIATION

3.1 Condition of Employment of Employees

The Employer shall make it a condition of employment of members of the bargaining unit that each such member shall pay membership dues to the Association in an amount fixed by the Association in accordance with its Constitution.

3.2 Employer Shall Acquaint New Employees

The Employer shall acquaint new employees with the fact that a collective agreement is in effect. ARTICLE 4: EMPLOYER RIGHTS

4.1 Employer Rights and Direction of Work Force

- (a) The Management of UCFV and the direction of the working forces, including the hiring, firing, promotion and demotion of employees, is vested exclusively in the Employer, except as may be otherwise specifically provided in this Agreement. The Association agrees that all employees shall be governed by all policies adopted by the Employer and implemented by the Administration, and published to employees on bulletin or notice boards or by general distribution, provided such policies are fair, reasonable and are not in conflict with this Agreement.
- (b) Where Association members are expected to assume administrative responsibilities for faculty members, for example when serving as Department or Program Heads, their role in supervising colleagues shall be limited to an advisory or formative capacity. Disciplinary actions and evaluation issues of a negative nature constitute direction of the workforce and must be taken by the appropriate Deans.

No Association member who has acted in an advisory or formative capacity during the informal resolution of a conflict shall act as an adjudicator or as a witness to the formative or advisory activities in any subsequent disciplinary process.

4.2 Employment Qualifications

- (a) In relation to employment within UCFV, it lies with the Employer to determine whether a candidate for first employment, or an existing employee, has the skills, qualifications and abilities which are required to assume a position and perform the tasks involved in that position. This determination by the Employer will arise in a variety of employment circumstances, including the filling of vacancies on a temporary or permanent basis, promotions, transfers, substitutions, return from long term disability leave, and in connection with layoff, recall and bumping.
- (b) In cases where layoff, recall or bumping are not involved, the Selection Advisory Committee process as per ARTICLE 11: (VACANCIES WITHIN THE BARGAINING UNIT) shall be used subject to 4.2 (c), (d), and (e) below.
- (c) In making determinations about the qualifications, abilities and skills of an employee or of a candidate for employment, the Employer is obligated to make judgments based on fair and objective standards. The Employer must not treat any employee or candidate for employment in a manner which is arbitrary, discriminatory, capricious or unreasonable.
- (d) The determinations of the Employer must be made within the parameters of the requirements of the applicable job description, and the relevant selection criteria established for the position.
- (e) When new staff positions are created or existing positions have changes to duties, education, or experience, the Director of Employee Services and an Association member of the JCAC will meet to review the position prior to circulation to determine in which pay group the position should be placed.

ARTICLE 5: TERM OF THE AGREEMENT

This Agreement shall come into effect as of April 1, 2004 and shall expire as of March 31, 2007 for all issues except there will be a wage re-opener April 1, 2006. It is recognized that there may be a PSEC mandate in place for the 2006/07 year that will need to be followed. Where the parties undertake to renegotiate this Agreement in accordance with ARTICLE 6: (RENEGOTIATION OF THE AGREEMENT), the provisions of this Agreement shall continue in force and effect until a revised Agreement is concluded, or the right to strike or lockout accrues and is exercised, whichever first occurs.

In the event of a labour disruption Association members will have the responsibility of animal care.

This Agreement and each Agreement negotiated pursuant to ARTICLE 6: (RENEGOTIATION OF THE AGREEMENT) shall enter into force upon signature by the Chair of the UCFV Board Negotiation Team and the President or Contract Chair of the UCFV Faculty and Staff Association, following ratification by the Board and ratification by the Association in accordance with ARTICLE 9: (RATIFICATION OF AGREEMENT).

ARTICLE 6: RENEGOTIATION OF THE AGREEMENT

6.1 Call for Renegotiation

The Association or UCFV may, by written notice given within the last four (4) months of the Agreement, call on the other party to renegotiate this Agreement.

6.2 Representation

In the event there is a call to enter into renegotiation of this Agreement, the party calling for negotiations shall advise the other party of the person(s) who shall represent it in negotiations, and in reply the other party shall advise the party calling for negotiation of the person(s) who shall represent its interests.

6.3 Options on Expiry of Agreement

If an agreement has not been reached on all items by the expiry date of this Agreement the parties may, by mutual agreement, submit unresolved matters to a third party for resolution, or either party may employ whatever economic sanctions as may be lawful.

6.4 No Strike/No Lockout During Term

- (a) The Association shall not declare, authorize, ratify or in any way participate in a strike during the term of this Agreement, and no employee shall strike during that period.
- (b) The Employer shall not lock out its employees during the term of this Agreement.

ARTICLE 7: GRIEVANCE PROCEDURE

7.1 Definition of a Grievance

A grievance shall be defined as any dispute or controversy between the parties to the Collective Agreement relating to the interpretation, application, or alleged violation of the Collective Agreement, including any question as to whether a matter is arbitrable.

7.2 Informal Resolution

- (a) Every effort shall be made to resolve problems through informal channels before using the formal process. The affected employee must request a meeting with the appropriate supervisor in an attempt to discuss and resolve the issue before a grievance is initiated. The Area Shop Steward or appropriate Grievance Chair may attend the meeting at the request of the affected employee or the supervisor.
- (b) Any informal resolution of a grievance or complaint shall be consistent with this Agreement. If the Association is of the opinion that a complaint has been informally resolved in a manner inconsistent with the terms of this Agreement, then the Association may grieve the resolution.

7.3 Procedures: Initiation of a Grievance

- (a) All formal grievances filed on behalf of employees must be initiated by the Association.
- (b) Except where specifically provided by other provisions of this Agreement, all grievances will commence at Step One. Thereafter, the subsequent steps will be followed sequentially unless a grievance is resolved, withdrawn, or otherwise disposed of, or unless the parties otherwise specifically agree to handle a particular grievance in a different manner.

7.4 Step One: Appropriate Supervisor

- (a) In the first step of the grievance procedure, the Area Shop Steward or the appropriate Grievance Chair will submit written notice of grievance to the appropriate supervisor and forward a copy of the same to the Employee Relations Office. The written notice will state the facts giving rise to the grievance, identify the provisions of the Agreement alleged to be violated, and indicate the remedy requested. After receipt of the written notice, the supervisor will schedule a meeting within ten (10) work days with the Area Shop Steward or Grievance Chair to discuss and attempt to settle the dispute. The affected employee has the right to be present at the meeting.
- (b) Step One ends at whichever of the following dates occurs first: Step One ends twenty (20) work days from the date of the occurrence of the grievable event, or from the date on which knowledge of the grievable event can reasonably be attributed to the affected employee; or Step One ends within five (5) work days after the meeting between the supervisor and the Area Shop Steward or Grievance Chair as specified in Article 7.4(a) above. This step will end in one of the following ways:
 - (i) the dispute is resolved between the Association and the appropriate supervisor, or
 - (ii) the dispute is not resolved and the Association submits the grievance in writing to Step Two of the grievance procedure, or
 - (iii) the Association decides not to pursue the grievance any further.

7.5 Step Two: President

- (a) The appropriate Grievance Chair of the Association, or representative, will submit a written notice of the grievance to the President, who may designate an administrator to respond to it.
- (b) The President or designate must hold a meeting within five (5) work days with the affected employee's immediate supervisor, the Grievance Chair or representative, and the employee if the employee wishes to attend.
- (c) Within five (5) work days of this meeting, the President or designate must, in writing, inform the Association of the decision and the reason for the decision.

7.6 Step Three: Agreement Committee

- (a) If the Association wishes to pursue the grievance beyond Step Two, the grievance will be submitted in writing to the Agreement Committee within five (5) work days of the decision of the President.
- (b) The Agreement Committee will meet within five (5) work days and shall, within ten (10) work days of the meeting, render in writing a recommendation to the President and the Association.

7.7 Step Four: Referral to Arbitration

If either party wishes to pursue a grievance beyond Step Three, the arbitration procedure (ARTICLE 8: ARBITRATION) shall be initiated within five (5) work days of the date on which Step Three is completed.

7.8 Policy Grievance

- (a) Where either the Association or the Employer disputes the general application, interpretation, or alleged violation of an article of this Agreement, the dispute will be presented directly to the Grievance Chair of the Association, or to the President or designate.
- (b) The Grievance Chair of the Association and the President or designate must call a meeting within five (5) work days in order to discuss the grievance.
- (c) Within ten (10) work days of this meeting, the responding party must answer the grievance in writing, giving reasons for the position or the decision.
- (d) Where no satisfactory agreement is reached, either party may refer the dispute to arbitration (ARTICLE 8: ARBITRATION), provided that notice of the reference to arbitration is given to the other party within five (5) work days of the receipt of the position or decision provided by Article 7.8(c) above.

7.9 Time Limits and Procedures

- (a) The time limits and procedures fixed in this grievance procedure may be altered by mutual consent of the Association and the Employer. No reasonable request for alteration of time limits will be refused by either party, as for example, when the principals to a grievance are unable to meet within prescribed time limits due to scheduled vacations.
- (b) In the event that the Employer does not respond to a grievance within the specified time limits, the Association may require that the grievance proceed to the next step.

- (c) In the event that the Association does not respond to a grievance within the specified time limits, the grievance will be deemed to have been withdrawn.

7.10 Grievor Error Without Prejudice

No grievance shall be denied in the event the affected employee or the Association errs in reference to the section of the Agreement cited.

ARTICLE 8: ARBITRATION

8.1 Arbitration of Grievance

Any grievance may be referred to arbitration according to Article 7.7 (Step Four) or to Section 87 of the Labour Relations Code, after the grievance procedure has been exhausted as provided in ARTICLE 7: (GRIEVANCE PROCEDURE).

8.2 Initiation of Arbitration

The party wishing to initiate arbitration shall notify the other in writing of the question(s) to be arbitrated and the name and address of its chosen representative on the arbitration board. After receiving such notice and statement, the other party shall, within eight (8) work days, appoint its representative on the arbitration board and give notice in writing of such appointment to the other party. Such representatives shall endeavour to select a third member who shall be Chair. Should the representatives fail to select such a third member within eight (8) work days from the appointment of the last representative, either party may request the Director of the Collective Agreement Arbitration Bureau to appoint a Chair. Expenses and compensation of the representatives selected by the parties shall be borne by the respective parties. The expenses and compensation of the Chair shall be shared equally between the parties.

8.3 Reference to Single Arbitrator

Notwithstanding the provisions of Article 8.2 (Initiation of Arbitration) preceding, the parties may, by mutual agreement, refer an unresolved dispute to the binding decision of a single arbitrator. In such instances, if the parties are unable to agree on a mutually acceptable arbitrator within eight (8) work days of their joint decision to refer the matter to a single arbitrator, either party may ask the Director of the Collective Agreement Arbitration Bureau to make the appointment. The expenses and compensation of a single arbitrator shall be shared equally between the parties.

8.4 Report of Arbitration Board

Within ten (10) work days following the establishment of the board of arbitration, it shall report its decision on the grievance. The majority decision of the board shall be final and binding on all persons bound by this Agreement.

8.5 Decision of Arbitration Board

The decision of the arbitration board shall be final and binding on both parties.

The arbitration board shall not have the power to change this Agreement or to alter, modify or amend any of its provisions.

ARTICLE 9: RATIFICATION OF AGREEMENT

The Association undertakes to submit this Agreement and any amendments subsequently made to it, and each Agreement negotiated pursuant to ARTICLE 6: (RENEGOTIATION OF THE AGREEMENT) herein which together constitute a collective agreement, to the members of the bargaining unit who are members of the Association, for ratification by a majority of those voting by secret ballot.

ARTICLE 10: EMPLOYEE RIGHTS

10.1 Personnel Records

Employees desiring to view their own personnel records, including evaluation reports, employment records and financial records will make an appointment to view the file with the Vice President or designate. The Vice President or designate will then arrange, within a reasonable period of time but not more than five (5) work days, to review the employee's personnel file with the employee at a time convenient to the employee, the Vice President or designate, and Employer.

An employee's personnel file will not be opened to unauthorized personnel, except with written permission of the employee. Unauthorized personnel shall be defined as all except the employee, the President, Senior Administrators or designate, applicable Directors, or a person with a court order.

An employee will be notified in writing within five (5) work days whenever material or information of a detrimental nature is added to his or her personnel record.

If an employee is re-evaluated pursuant to Article 13.2(c) (Evaluation Criteria and Procedures), the employee will have the original evaluation permanently removed from his or her personnel record if he or she so requests.

Where appropriate, material will be removed from an employee's file in accordance with Article 14.7 (Use of Personnel File Material).

10.2 Picket Line at UCFV Premises

The refusal of a member of the Association to cross a legal picket line established by a bona fide trade union will not, of itself, constitute cause for discipline.

10.3 Indemnity

(a) UCFV will not seek indemnity against an employee, and will provide legal assistance to an employee (and will pay any judgement against the employee) for actions that result in a judgement against UCFV or the employee, providing the employee was not acting in contravention of established UCFV policy and was acting in good faith as an agent of the Employer. In any event, the Employer will make a decision on whether or not to take action against an employee only after consultation with concerned parties by means of an ad hoc joint committee. The joint committee shall consist of four (4) members, two (2) selected by the Employer and two (2) selected by the Association.

(b) UCFV employees engaged in conducting or assisting in the operation of Study Tours and other UCFV-sanctioned activities as agents of the Employer are included in Article 10.3(a) above (Indemnity).

Upon request, the Employer shall provide each employee planning to conduct or assist in the operation of a Study Tour or other UCFV sanctioned activity with a copy of the appropriate UCFV insurance coverage and will make the employee aware of his or her protection and possible liability under UCFV insurance coverage.

10.4 Academic Freedom

University College of the Fraser Valley is committed to the belief that the exchange of knowledge and ideas in an environment of intellectual freedom is the indispensable foundation of all education.

“Academic Freedom” is one means to ensure that an environment of intellectual freedom is sustained. Academic freedom includes the right of all members of the Association to inquire, teach, do research, discuss, study, publish, create and exhibit without hindrance or restriction by UCFV.

Within the broad framework of academic freedom affirmed above, and without limiting the generality of the concept, academic freedom includes:

- (a) **Freedom to Teach.** A faculty member is entitled to freedom in the classroom in discussing the curriculum. He or she has the right to introduce any topic or viewpoint related to the curriculum or to the education of students in the subject. The faculty member has the individual right and responsibility to determine course content and textbooks subject to written departmental policy. The faculty member has the right and responsibility to present controversial subject matter in such a way as to encourage free discussion, inquiry and expression.
- (b) **Freedom to Learn.** A faculty member has the right to full freedom in the pursuit of research interests and in the publication of the results, subject only to the satisfactory performance of other academic duties.
- (c) **Freedom to Act as a Citizen.** All employees of UCFV are citizens, and are entitled to speak or write as citizens without institutional censorship or discipline. However, employees should make every reasonable effort to ensure that when they are expressing personal views, they are not seen as spokespersons or representatives of UCFV.
- (d) **Freedom to Read.** UCFV employees responsible for the development of written, visual and machine readable resources for the academic community have the right to select materials on the basis of their value as information and entertainment sources, being careful to present a diversity of opinion. No library materials shall be proscribed or removed because of partisan or doctrinal disapproval. In no case shall materials be excluded because of the race or nationality or the social, political or religious views of the author.

Notwithstanding the above, academic freedom does not entitle a faculty member to promote hatred or contempt for any social, political, national or ethnic group; display incompetence in teaching or scholarship; or violate the human rights of students or other persons.

Where academic freedom is invoked in defence of a particular practice, an evaluation of the practice shall be undertaken by a community of peers, in this case represented by a six-member Board of Appeal appointed by the University College of the Fraser Valley Council. One appointee shall consist of the UCFV President, or his or her designate. The balance of the appointees shall consist of faculty. The procedure to be followed shall be determined by the UCC on recommendation of this committee of peers in each case.

Any disciplinary action taken as a result of the above practice is the responsibility of the Employer and is subject to the grievance procedure.

10.5 Copyright

- (a) The copyright to all artistic, recorded or written work which is created during the course of employment shall be retained by the employee throughout his or her lifetime, and upon his or her death by their heirs and/or assigns, except as noted in Articles 10.5(b) and (c) below. When the stated conditions of employment or duties and responsibilities include the creation of specific artistic, recorded or written work, the copyright to such work shall be retained by UCFV.

- (b) UCFV shall have the right in perpetuity to use and revise, free of charge, any or all artistic, recorded or written work which was created by an employee during the course of employment at UCFV. This shall include the participation of UCFV in a provincial television, telephone, or radio network for the purpose of distance education. If such work bears the name of an employee, UCFV will not alter, amend, or change in any way the said work without the consent of the employee.
- (c) Any costs incurred by the Employer in the production of artistic, recorded or written work by an employee will be recovered from the employee, should the employee hold the copyright for such work. In no case will the employee's liability for repayment of costs exceed the income received from the work.

10.6 Scholarships and Bursaries

Scholarships, bursaries or other grants that employees earn are their sole property.

10.7 Harassment

Definitions, procedures and rights of parties involved in disputes involving personal harassment are described in UCFV Harassment Policy 110.25.

- (a) **Personal Harassment.** Employees shall not be subject to personal harassment. Violations shall be dealt with through UCFV policy number 110.25.
- (b) **Sexual Harassment.** Employees shall not be subject to sexual harassment. Definitions, procedures, and rights of parties involved in disputes about sexual harassment are described in UCFV Harassment Policy 110.25. Violations shall be dealt with through UCFV Harassment Policy number 110.25.
- (c) **Other forms of Harassment.** Employees shall not be subject to other forms of harassment. Definitions of other forms of harassment, procedures, and rights of parties involved in disputes are described in UCFV Harassment Policy 110.25. Violations shall be dealt with through UCFV Harassment Policy number 110.25.
- (d) An employee named in a harassment case shall be entitled to an Association advocate, whose role will be to provide support for the member by listening to the member's concerns, providing information on rights, options, and procedures, and, where appropriate, attending meetings or hearings in an informal capacity as a support person and recorder

10.8 Employment Equity

Employment equity shall be dealt with through UCFV policy 110.23.

10.9 Pay Equity

The parties to our Collective Agreement agree to enforce the principle of Equal Pay for Work of Equal Value. The parties to our Collective Agreement agree to end wage discrimination practices.

ARTICLE 11: VACANCIES WITHIN THE BARGAINING UNIT

11.1 Vacancies

- (a) Wherever possible, Type A or Type B positions will be created instead of a number of temporary positions. When possible, temporary positions will be combined to create Type A or Type B positions. Where the Association can demonstrate detrimental effects on UCFV services or the working conditions of Type A or Type B employees, part-time Type A or Type B positions will be combined into full-time positions.
- (b) Notice of all vacant or new positions for which the Association has bargaining authority shall be posted on designated UCFV bulletin boards in each UCFV centre and forwarded to any employee laid off within the previous fifteen (15) months, no later than the first date of an internal or external posting, whichever occurs first.
- (c) Posting of vacancies shall appear for at least ten (10) UCFV working days before the competition is closed for Type A, Type B and Type C positions, and five (5) UCFV working days for all other posted positions, before the competition is closed. All vacancy postings shall include salary range, summary of the position description, required qualifications, hours of work, days off, work location and commencement date.
- (d) In the posting of a vacancy or new position, the hours of work, including days off and the work location may be subject to change consistent with the operational requirements and the provisions of this Agreement.
- (e) When new staff positions are created or existing positions have changes to duties, education, or experience, the Director of Employee Services and an Association member of the JCAC will meet to review the position prior to circulation to determine in which pay group the position should be placed.
- (f) A Selection Advisory Committee may establish a list of qualified applicants for sessional, Type C and Type D positions. This list will be established if, through the regular posting procedure, non-successful applicants are deemed qualified but there are not sufficient vacancies to accommodate them. Should an opening occur within six (6) months of establishing the list, the Director, Department Head or Program Head may recommend that the next eligible candidate be hired.

11.2 Temporary Vacancies and Staff Secondments

- (a) A temporary vacancy in a regular position for a period of less than four (4) months may be filled by the Employer in consultation with the employees of the area. The Employer must notify the applicable Association Grievance Chair of the appointment and post the position after two months of the appointment, unless otherwise agreed to by the Employer and Association.

To meet temporary staffing needs, the Employee Relations Department will maintain an up-to-date list of qualified auxiliary employees (Temporary Employee List). All departments will fill their auxiliary staffing requirements by reference to the Temporary Employee List.

- (b) A temporary vacancy for a period of four (4) months or more will be filled as in Article 11.6 (Selection Advisory Committee) or as in Article 19.2 (Acting in a Higher Capacity) or Article 20.2 (Acting in a Higher Capacity or as a Substitute). If filled by 19.2 (Acting in a Higher Capacity) or 20.2 (Acting in a Higher Capacity or as a Substitute), ARTICLE 11: (VACANCIES WITHIN THE BARGAINING UNIT) will apply only within the responsible administrator's area.

- (c) Type A employees may apply for a temporary staff vacancy that has a contract period of four (4) months to one (1) year.
 - (i) If successful, the Type A applicants (seconded employees), with the authorization of the appropriate excluded administrator, may assume the status, salary and benefits of the temporary position for the length of time they are in that position.
 - (ii) Except in extraordinary circumstances, the seconded employees will remain in their seconded position until the expiration of their temporary contract. Under extraordinary circumstances and with the approval of the appropriate excluded administrator, return to the original position may take place before the end of the secondment contract. In this event, the expiration date of the replacement employees' temporary contracts will be adjusted to correspond to the new date of return of the seconded employees.
 - (iii) If the seconded position is extended beyond the originally approved contract period, the seconded employees must seek approval of the appropriate excluded administrator. The total secondment period is not to exceed two (2) years.
 - (iv) The seconded employees retain the right to enter competitions and the right to accept another permanent job.
 - (v) At the end of their contracts, the seconded employees return to their original position unless they have obtained a permanent position elsewhere.
 - (vi) If the temporary vacancy created by the secondment is filled by a Type C or Type D employee rather than another Type A employee, the Type C or Type D employee maintains the same rights they had in their previous position.
- (d) **Part-time secondments:** With the authorization of the appropriate excluded administrator, Type A employees may apply for a temporary duty replacement. This replacement would allow the employee to take on a different function as part of his or her on-going position, and allow it to replace a normal function of the on-going job that now would be handled by another employee. To be eligible for part-time secondment, the following must apply:
 - (i) the temporary duty must need an allocation of four hours or greater
 - (ii) the duty to be replaced must be able to be completed in blocks of time of four hours
 - (iii) the employee must present a written document to his or her supervisor to show how this duty change can be accomplished. The supervisor and employee must then jointly discuss the proposal with the appropriate excluded administrator.

11.3 Job Sharing and Job Exchange

- (a) With the authorization of the appropriate excluded administrator, Type A or Type B employees may share an existing position. The position can be either one of two that the employees now occupy or a vacant Type A or Type B position. In the case of a vacant position a joint application shall be made. This clause is not grievable but an appeal to the UCFV president can be made. Should one of the employees leave his or her part of the position, the remaining employee has the right of first refusal to the portion vacated, provided he or she meets the minimum qualification standard. Should the SAC process not result in recommending a suitable candidate to fill the vacant portion, the appropriate excluded administrator of the area, the immediate supervisor, the appropriate Association Grievance Chair, and the employee occupying the other part of the position will meet to resolve the problem.

- (b) With the authorization of the appropriate excluded administrator(s) and supervisors, Type A or Type B employees may exchange positions, provided that both employees agree, that they are in the same pay group, and that they can demonstrate they are capable of performing the duties of the position.
- (c) Consistent with 12.9 (Transfers, Promotions or Bumping to a Different Position), the exchanged employees will serve a six-month non-initial probationary period. The positions will become permanent upon completion of the probationary period.
- (d) The exchanging employees have the right to revert back to their original positions within the non-initial six-month probationary period, providing either party wishes to revert.

11.4 Employee Applicants

An employee already on staff or on the layoff list who applies for and meets the criteria of a vacant position shall be given preference over an outside applicant who has equal or less qualifications to meet the criteria of the position. Type C, Type D or Sessional employees shall not have this preference until they have been hired pursuant to Selection Advisory Committee procedures.

11.5 Unsuccessful Employee Applications

Unsuccessful employee applicants for vacant positions will be notified. An unsuccessful employee applicant may request that the Association grieve on their behalf, providing the grievance is brought within five (5) UCFV working days of notice that the employee was unsuccessful in his or her application. During the five (5) day period, the following process will be undertaken in the order shown below:

- (a) The Chair of the SAC notifies Employee Services of their recommendation.
- (b) Employee Services contacts the applicable Grievance Chair.
- (c) Employee Services notifies person that they have been recommended and that the Association and UCFV are reviewing to determine if the correct process has been followed.
- (d) Employee Services and the Grievance Chair review the process.
- (e) UCFV will decide to offer the job to the external or not.

11.6 Selection Advisory Committee

The Employer shall maintain a selection advisory committee procedure, and shall make the details of this procedure widely available through a document titled "Selection Advisory Committee Procedure". Any changes to this policy or procedure need the approval of the Association and the Employer.

The policy supplements any processes and procedures in this clause.

The Employer shall supply the Association Grievance Chair, or a designate, with a copy of the position posting at the same time that the position is posted.

Appointment of employees will be made by the Employer after consultation with employees in the appropriate area with respect to the criteria for the position and qualifications of the candidates.

- (a) Consultation shall take place through a Selection Advisory Committee. At least fifty percent (50%) of the membership of the Selection Advisory Committee shall be chosen by and from Employees in the appropriate area or appointed by the Association.

- (b) The Employer shall be responsible for conducting elections or making appointments to a Selection Advisory Committee not later than the expiry date of the position vacancy posting.
- (c) The Employer may, after consultation with the Association, appoint all members to the Selection Advisory Committee when time-lines are short or during times of the year when the normal process cannot be followed.
- (d) Standing Selection Advisory Committees for the purpose of work allocation or the hiring of Sessional Employees will be formed for each department by the Employer no later than April 15th for the fall semester and November 1st for the winter and spring semesters.
- (e) Where time is of the essence, the Selection Advisory committee may be waived in the hiring of Sessional employees. Consecutive reappointments shall be for a minimum term of two or a maximum term of three years, at the area's discretion.

1. at the end of the first year following appointment
2. four months prior to the completion of the term
3. any other time during the term at the Presidents discretion

The only exception shall be adverse evaluation reports which are not followed by a re-evaluation or a disciplinary action.
- (b) Suspension shall not exceed five (5) work days, unless extended by mutual agreement of the Employer and the Association. An employee may not be transferred or demoted while under suspension.

- (c) When an employee is suspended or discharged, the reason for this action shall, in the presence of the Grievance Chair, or any other Union official, be given verbally at the time of the suspension or discharge, and written confirmation of such reasons shall be forwarded to the employee and the Association within five (5) work days following the suspension or discharge.

14.6 Right to Grieve

An employee considered by the Association to be wrongfully or unjustly disciplined, suspended, or discharged shall be entitled to recourse under ARTICLE 7: (GRIEVANCE PROCEDURE). All disciplinary actions are grievable.

14.7 Use of Personnel File Material

While the Employer may choose to keep written records of pre-disciplinary actions out of an employee's personnel file, the employee must have signed any such records and be aware of their being kept by the Employer. If such records are to be used in a disciplinary action, they must first be entered into the employee's personnel file and the employee notified as per 10.1 (Personnel Records). Only material from an employee's personnel file may be used as documentation in a disciplinary action.

14.8 Unjust Cause

If, as a result of grievance, it is found that an employee has been suspended or discharged for unjust cause, the employee shall be reinstated to his or her former position without loss of seniority or benefits, and shall be compensated with full back pay for the time lost retroactive to the date of suspension or discharge.

ARTICLE 15: SENIORITY

15.1 Calculation of Seniority

An employee's UCFV seniority shall be calculated on the basis of the number of hours worked.

15.2 Seniority Lists

- (a) Not later than August 31st of each calendar year, the Employer will provide the Association with a seniority list, with seniority calculated to June 30th of the same calendar year. The list shall contain the name of every employee of UCFV, including those whose names appear on the current recall list. Should unusual circumstances occur, the Association can request the seniority list be published one other time during the calendar year.
- (b) For each employee named in the seniority list, the list will provide the following information:
 - (i) the employee's date of initial hiring;
 - (ii) the employee's accumulated seniority in hours;
 - (iii) the employee's current job title and department;
- (c) At the same time that the Employer provides the seniority list to the Association, copies shall also be posted for the information of the employees.
- (d) Any objection to the accuracy of the seniority list, whether raised by the Association or by an individual employee, should be lodged with the Employee Relations department after the list has been provided to the Association.

15.3 Employee Appointments: Limitations on Seniority

- (a) In exercising seniority rights on contracts for which he or she is qualified, Type C , Type D employees and Sessionals can exercise only departmental seniority, (i.e.) can exercise only the seniority accrued in that department.
- (b) An employee who subsequently receives a Type A or Type B appointment will carry any accrued seniority. Such accrued seniority will then be recognized for all purposes of this Agreement relative to his or her Type A or Type B appointment.

15.4 Seniority During Leaves of Absence

- (a) An employee on a leave of absence with pay or on a leave for Association business as per Article 2.6 (Leaves of Absence: Association Business) shall continue to accrue seniority, calculated as though the employee continued his regular duties.
- (b) Subject to the exceptions provided for in Articles 22.9 (Status of Employee on Professional Development Leave) and 23.5, (General Leave), an employee on a leave of absence without pay shall maintain but not accrue seniority for leave periods in excess of twenty (20) cumulative work days in any one (1) calendar year.

15.5 Seniority During Absences Due to Illness or Accident

- (a) An employee shall maintain and accrue seniority during absences due to non-occupational illnesses or accidents or injuries, during that period in which the employee receives full pay under the Sick Pay provisions of this Agreement, Article 24 (Short Term Disability Leave, including Sick Leave). Thereafter, seniority is maintained but not accrued.
- (b) An employee shall maintain and accrue seniority during absences due to occupational illness or accidents or injuries, provided that such an employee is receiving benefits from the Workers' Compensation Board as a result of such illnesses or accidents or injuries.

15.6 Seniority on Re-employment or Recall

A Type A or Type B employee who resigns from UCFV and is subsequently reemployed as a Type A or Type B employee within thirty (30) calendar days, or who is recalled from layoff, shall be credited with his or her previously accrued seniority.

15.7 Transfer of Seniority Status

In the event that employees change jobs either from a job within the bargaining unit to an excluded position, or from an excluded position to a job in the bargaining unit, their total accumulated UCFV seniority transfers with them.

15.8 Conflicting Seniority Claims

In the event that two (2) or more employees have the same UCFV seniority then any resulting conflicts shall be resolved by chance or random lottery.

15.9 Loss of Seniority and Entitlement to Employment

Employees will lose all seniority rights and entitlement to employment where:

- (a) They voluntarily resign or otherwise terminate their employment, except as provided in Article 15.6 (Seniority on Re-employment or Recall);
- (b) They are discharged for just and reasonable cause, and are not subsequently reinstated pursuant to the grievance or arbitration procedure contained in this Agreement;
- (c) Type A and Type B employees are on layoff for more than fifteen (15) consecutive months; Type C and Type D are not rehired for more than five months; or sessionals not rehired for two consecutive academic terms (spring term excluded);
- (d) They lose their recall rights in accordance with the terms of this Agreement.

ARTICLE 16: LAYOFF AND RECALL

16.1 Reasons for Layoff

- (a) The Employer shall be reasonable in the reason or reasons for a layoff decision. The reason or reasons for layoff must not be based on bad faith or discrimination against any employee or employees.

 - (vi) change in organization or method of operation due to one or a combination of the preceding reasons;
 - (vii) any other reason which fits within the spirit and intent of the reasons stated above.
- (c) The expiry of a specified term of appointment is neither a layoff nor a discharge and cannot be the subject of a grievance.

16.2 Layoff Provisions for Type C, Type D and Sessional Employees

- (a) Type D employees and Sessional faculty do not have access to these provisions.
- (b) Type C employees may be laid off in accordance with the provisions of Article 16 (Layoff and Recall) of this Agreement.

16.3 Application of Seniority Principle

Subject to Article 16.4 (Layoff Procedure), there shall be no exceptions to the principle of "last hired, first laid off" except as noted in Article 16.15 (Right to Grieve).

16.4 Layoff Procedure

When the Employer determines that a reduction in the number of employees or a reduction in the number of an employee's hours of work is necessary, the following procedures will be adopted:

- (a) The Employer will provide advance notice to the Association and to the affected employee in accordance with Article 16.5 (Advance Notice to the Association of Layoff), and Article 16.6 (Notice of Layoff to Affected Employees).

- (b) During the notice period, the Employer and the Association shall meet to discuss alternative measures to layoff. To the extent that the parties agree to alternative measures, the layoff notices or the layoffs may be rescinded.
- (c) Consistent with the reasons for layoff given pursuant to Article 16.1 (Reasons for Layoff), employees who are assigned to similar duties and have similar qualifications will be selected for layoff in reverse order of seniority, within categories, as follows below.

- (v) Probationary Type B faculty will be laid off next;
- (vi) Non-probationary Type B faculty will be laid off only after the preceding categories.

16.5 Advance Notice to the Association of Layoff

- (a) At least one (1) month (one [1] week for Type C employees) before the advance notices are to be served, the Employer will consult with the Association about the layoffs. In consulting with the Association, the Employer agrees to provide the following information:
 - (i) The reason or reasons for the layoff.
 - (ii) Any supporting information which has influenced the Employer's layoff decision. The information includes relevant budgetary or financial information.
 - (iii) In those cases where such specific decisions have been made, the information provided shall also include the identification of the specific individual employees who will be the subject of the layoff.

- (b) Where layoffs are necessitated in emergency circumstances beyond the control of the Employer, these advance notice provisions are not applicable. In such cases, however, the Employer will provide the Association, as per Article 16.5(b) above, with a full explanation of the emergency circumstances at the earliest possible date.

16.6 Notice of Layoff to Affected Employees

- (a) Type A staff employees who are to be laid off will receive at least twenty five (25) work days advance notice in writing.
- (b) A director or faculty employee who is to be laid off will receive at least four (4) months advance notice in writing, and where possible, such layoffs will commence on the first day of August, of the year in question.
- (c) In the event that Type C Contract employees are laid off, they shall be given advance notice in writing. The length of the notice period shall be one (1) work day for each week remaining in the employee's term of appointment, to a maximum of twenty (20) work days. A minimum of ten (10) work days notice shall be given if the employee has six (6) months of seniority.
- (d) All layoff notices will include a statement of the reason or reasons for that particular layoff.
- (e) At the same time that the layoff notice is sent to the employee, a copy of the layoff notice will be sent to the President of the Association.
- (f) In the event that there are changes in the circumstances which necessitated a layoff decision by the Employer, the layoff notice may be withdrawn and cancelled.
- (g) In circumstances where a Type A or a Type B position is not funded through the regular ongoing UCFV operating budget as indicated by the Letter of Allocation issued to UCFV annually by the Ministry, an employee subject to layoff or termination shall be entitled to notice of twenty (20) work days.

16.7 Bumping (Displacing) Less Senior Employees

- (a) The qualifications and conditions under which an employee given layoff notice can exercise bumping rights are as follows:
 - (i) Employees can only bump within the same faculty or staff component within the bargaining unit.
 1. An employee on the faculty, lab instructor or director salary schedule cannot bump an employee on the academic/educational advisor or staff salary schedule.
 2. An employee on the academic/educational advisor salary schedule cannot bump an employee on the faculty, lab instructor, director or staff salary schedule.
 3. An employee on the staff salary schedule cannot bump an employee on the faculty, lab instructor, academic/educational advisor or director salary schedules.
 4. An excluded employee cannot displace (bump) a member of the bargaining unit.
 - (ii) Employees cannot bump into a higher paid position. They can only bump into a job position where the pay scale is the same as or lower than their present position.

- (iii) Employees must have more seniority than the employee in the position into which they wish to bump.
- (iv) Employees must have the qualifications necessary to fill the position into which they wish to bump. If the employee wishes to bump into a position for which he or she is not currently qualified but on a reasonable assessment could be equipped to perform with training, then the Employer shall provide in-service training. The obligation of the Employer to provide such in-service training will normally be restricted to those cases where the employee can reasonably be expected to assimilate the training in not more than twenty (20) work days. Training periods of longer than twenty (20) work days shall be approved within provisions of Article 22 (Professional Development). Type C, Type D and Sessional employees are excluded from this provision.
- (v) Employees must accept the rate of pay and other terms and conditions of employment which are in effect for the job position into which they bump. The rate of pay shall be determined in accordance with Article 19.5 (Rate of Pay on Transfer or Promotion).
- (vi) Employees must decide within five (5) work days of the date of receipt of advance notice of layoff to exercise bumping rights, and to indicate to the Employer in writing the position of the more junior employee that they wish to bump, or the open position they wish to move into. The Employer will then give the bumped employee notice of layoff in accordance with Article 16.6 (Notice of Layoff to Affected Employees), and the employee then has the right, in turn, to displace another less senior employee.
- (vii) Once employees have exercised their bumping rights, they cannot change their decision and claim a right to yet another job position. Such further moves can only be made when the Employer decides to fill a vacant position. Such vacant positions will be filled in accordance with Article 11 (Vacancies Within the Bargaining Unit).
- (viii) Type C employees are limited to exercising bumping rights to one (1) position; if they are not successful, the layoff proceeds.
- (ix) Employees who choose to exercise their bumping rights can only claim back their original positions if it becomes vacant within fifteen (15) months (five [5] months for Type C employees) of the notice of layoff.
- (x) The exercise of the bumping rights cannot result in any claims for compensation for any expenses or allowances to be paid by the Employer.

16.8 Order of Recall

Employees on layoff shall be recalled in reverse order of layoff as affected through application of Article 16.4 (Layoff Procedure).

16.9 Recall Rights and Obligations

- (a) When a layoff occurs, the Employer shall establish a recall list and a laid off employee's name shall remain on the recall list for a period of fifteen (15) months for Type A and Type B employees (five months for Type C employees) commencing with the effective date of the layoff. The recall list shall include employees who have received layoff notice. Sessionals, Type C and Type D employees see article 16.2 (Layoff Provisions for Type C, Type D and Sessional Employees)

- (b) An employee who has been laid off and who wishes to be considered for recall to work must ensure that the Employer is notified in writing of the employee's current address and telephone number. Failure to provide this information will serve to relieve the Employer of any obligation or liability in connection with the recall process.
- (c) Employees who are recalled to work following a layoff cannot be required to serve a new probationary period.
- (d) In the event that the former position of the laid off employee becomes vacant, during an employee's recall period, he or she shall be offered the position. If an equivalent position which carries the same or equivalent rate of pay as the employee's former position becomes vacant, then the laid off employee shall be offered the position, provided his or her qualifications are satisfactory.
- (e) In the event that a substantially different job position on the same pay scale or a lower paying job position becomes vacant during an employee's recall period, and provided that the employee is qualified, the laid off employee with the greatest seniority shall be offered the position. If the employee accepts the offer, he or she must also accept the terms and conditions of employment which are in effect for that job position. The rate of pay shall be determined in accordance with Article 19.5 (Rate of Pay on Transfer or Promotion). The laid off employee shall have the right to refuse this offer and remain on the recall list.
- (f) In the event that an employee refuses a recall offer to his or her former job position, or to a job position which is substantially the same as his or her former position and affords the same rate of pay, the Employer may remove the employee's name from the recall list unless there are extenuating circumstances acceptable to the Employer.
- (g) Advice of a recall being given to an employee shall be provided to the Association on the same date that the notice is given or sent to the employee.
- (h) The Employer shall inform all employees on the recall list and the Association of all job vacancies at the same time as internal posting. Notice of vacancies shall be made by telephone, telegram, mail, or by direct personal contact. In the event that an employee on the recall list wishes to be considered for a vacant position, the employee must apply in writing within ten (10) work days from the time the notice of vacancy is given by the Employer. If the employee wishes to be considered for a vacant position other than the position from which he or she was laid off, the application must include a statement of the qualifications the employee has for the vacant position.

16.10 Notice of Recall

- (a) Notice of recall shall be made by telephone, telegram, special delivery, registered mail, or by direct personal contact. The Association will be advised of the notice or attempted notice at the time it is given. Employees notified by mail will be given ten (10) calendar days from the time that notice was initiated by the Employer in which to acknowledge receipt of the notice and to indicate acceptance of the recall. Employees notified by means other than mail will be given five (5) calendar days notice of recall. The notice or advice of recall will include a time and date specified by the Employer, or a mutually agreeable alternative time and date, by which the employee must report for work if the recall is accepted.
- (b) An employee who has been recalled must report by the time and date directed or agreed to, or the employee may be deemed by the Employer to have voluntarily terminated entitlement to recall unless there are extenuating circumstances acceptable to the Employer.

16.11 Rights of Employees on Layoff

- (a) Employees on the recall list will continue to be covered by this Agreement as specifically provided.
- (b) In the event of layoff, the Employer is obligated to pay affected employees for earned statutory holidays and annual vacation on a pro-rata basis.
- (c) An employee on the recall list is entitled to continue his or her medical, extended health, dental, and group life insurance benefits during the layoff by paying, in advance each month, the full cost of the premiums for that period, subject to any eligibility requirement established by the respective insurance carriers.

16.12 Employment Qualifications Regarding Layoff, Recall and Bumping

Notwithstanding the general provisions of Article 4.2 (Employment Qualifications) in relation to employment qualifications, the Employer will not establish a Selection Advisory Committee in circumstances which may result in the layoff or bumping of a Type A or Type B employee.

16.13 Contracting Out

In addition to, and without limiting, any provision in this Collective Agreement, UCFV will not contract out:

- (a) Any work presently performed by the employees covered by this collective agreement which would result in the layoff of such employees, including a reduction in assigned workload, or
- (b) The instructional activities that are contained in the programs listed and/or funded in the approved annual institutional program profile and that are currently performed by the bargaining unit employees.

The language in this article restricting the contracting out of services predates, and is superseded by, the language above, except where the language below provides the Association with greater protection against contracting out. Readers are directed to read the language above, and then to find additional provisions in the language below.

- (c) The Employer may contract out services or functions provided that such contracting out will not cause any employee with three (3) or more years of service to be laid off.
- (d) The Employer may contract out services or functions in order to improve efficiency without regard to the restrictions in (a) above, provided employees are reassigned to other equivalent positions for which they are qualified.
- (e) The Employer may contract out functions or services which have come into force after the date of ratification of this Agreement subject to (a) and (b) above.
- (f) In any case, services or functions which were carried out by laid off employees shall not be contracted out while the laid off employees are covered by the recall provisions of this Agreement, unless the Association agrees.

16.14 Employee Records on Layoff

Records of an employee on layoff will be kept by the Employer and references supplied by the Employer at the request of the employee or of an outside agency will clearly state the nature of the employee's

termination as a layoff due to the reason stated by the Employer in accordance with Article 16.6 (Notice of Layoff to Affected Employees).

16.15 Right to Grieve

A grievance may be lodged in accordance with Article 7 (Grievance Procedure) of this Agreement regarding any decision taken by the Employer in relation to the layoff and recall procedures in this Agreement. Such a grievance may begin at Step One.

16.16 Severance Pay

- (a) Type A or Type B employees who have been given notice of layoff are entitled to severance pay as specified herein, provided:
 - (i) they have not exercised their bumping rights within the time limits set by the agreement, or
 - (ii) they have not been employed in a vacant position for which they are determined by the Employer to have the necessary qualifications, or
 - (iii) they do not elect to have their names placed on the recall list.
- (b) The amount of severance pay shall be calculated on the basis of the employee's normal rate of pay at the end of the layoff notice period and according to the number of completed years of service as follows:

<u>Service</u>	<u>Severance Pay</u>
1 year	2 weeks
2 years	4 weeks
3 years	6 weeks
4 years	8 weeks
5 years	10 weeks
6 years	12 weeks
7 years	14 weeks
8 years	16 weeks
9 years	18 weeks
10 years	20 weeks
11 years	22 weeks
12 years	24 weeks
13 years or more	26 weeks

- (c) If the employee elects to take severance pay, he or she thereby waives all other rights, claims or entitlements, and severs his or her relationship with the Employer.
- (d) In order to elect to take severance pay, the employee must submit written notice to the Employer within ten (10) work days after the date on which the layoff notice was given.
- (e) Where layoffs are necessary in emergency circumstances beyond the control of the Employer, the advance notice provisions are not applicable. In such cases, however, employees will receive payment in lieu of notice equal to the payment for the appropriate notice time. It is understood that such payment in lieu of notice is in addition to severance pay.

16.17 Job Security

The principle of job security will be honoured in all budget decisions. Where an employee's present job cannot be continued, the employer will make every effort to find appropriate work for that employee through reallocation of work, transfers, or retraining as appropriate.

ARTICLE 17: WORKING CONDITIONS FOR STAFF EMPLOYEES

17.1 Work Week

Except where a modified work week has been implemented, the work week for full-time employees designated as "staff" shall be five (5) seven-hour (7-hr.) days, thirty-five (35) hours per work week, with no less than two (2) consecutive days off between work weeks.

17.2 Modified Work Week

- (a) A modified work week is a modification of the standard work week described in Article 17.1 (Work Week) which has been mutually agreed to by the employee and the Employer.
- (b) A modified work week may arise at the written request of either the Employer or of the employee; however, an employee cannot be required to work a modified work week.
- (c) The appropriate senior administrator shall use the following criteria in approving requests for a modified work week:
 - (i) the daily work of the work area in which the staff member is employed shall be carried out;
 - (ii) where the work area relates to other components of UCFV, the role of the work area shall not be diminished or diluted;
 - (iii) no additional costs to the Employer shall result, for example, by reason of:
 - a requirement for additional staff;
 - paying overtime rates within approved hours.
- (d) Any application for a modified work week shall be sent to the Vice President of Finance and Employee Services.

17.3 Shift Premiums

- (a) A shift premium will be paid:
 - (i) for all hours worked outside the employee's regular shift, when less than forty-eight (48) hours notice of change of shift was given the employee;
 - (ii) for all hours worked on a "split" shift, i.e., a shift on which the employee is required to take an unpaid break or breaks totalling two (2) hours or more;
 - (iii) for all hours a staff employee is assigned to work outside the hours of 08:00 to 17:00 hours, whether or not advance notice of the shift assignment was given.

This provision will not apply where a staff employee has elected to work a flexible or modified work week which involves working outside the hours of 08:00 to 17:00 hours.

- (b) Definition of Shifts
 - (i) The shift premium from 16:30 hours until 23:59:59 hours inclusive, will be the afternoon rate.

- (ii) The shift premium from 00:00 hours until 07:59:59 hours inclusive, will be the night rate.
- (c) Definition of Shift Premium
Staff (excluding janitorial and maintenance positions) will be paid:

 - (ii) eighty-five cents (\$.85) per hour worked for the night rate.
- (d) Definition of Shift Premium for Janitorial and Maintenance Positions:
Staff janitorial and maintenance positions will be paid:
 - (i) one dollar (\$1.00) per hour worked for the afternoon rate;
 - (ii) one dollar (\$1.00) per hour worked for the night rate.

17.4 Meal Periods

An employee is entitled to a meal period of thirty (30) to sixty (60) minutes, to be scheduled as close to the middle of the work day as possible. If, as the result of an emergency, the employee is required to stay at his or her work station for the meal period, then the employee's work day shall be inclusive of that meal period.

17.5 Rest Periods

Full-time employees will be allowed two (2) fifteen (15) minute rest periods each work day - one (1) in each half of the shift, i.e., one before and one after the meal period.

17.6 Overtime

Overtime is work performed by a staff employee in excess of seven (7) daily hours, or in excess of seventy (70) bi-weekly hours of work.

(a) Recording of Overtime

Overtime must be authorized in advance by the appropriate supervisor, recorded on a time sheet, approved by the staff employee's immediate supervisor, and submitted to Payroll.

(b) Overtime Rates

An employee shall be entitled to compensation for authorized overtime in excess of seven (7) hours daily or thirty-five (35) weekly hours.

Overtime shall be compensated, in twenty (20) minute increments, at the rate of:

- (i) time and one-half (1 ½ times) the staff employee's regular hourly rate for up to three (3) hours of overtime in any working day or eight (8) hours of overtime in a week;
- (ii) time and one-half (1 ½ times) the staff employee's regular hourly rate for the first three (3) hours worked on the first day off of the employee's scheduled two (2) consecutive days off;
- (iii) double time (2 times) the staff employee's regular hourly rate for any overtime worked in excess of three (3) hours overtime in any working day, or in excess of eight (8) hours overtime in a week;

- (iv) double time (2 times) the staff employee's regular hourly rate for:
 1. all hours in excess of three (3) hours on the employee's first scheduled day off;
 2. all hours worked on the employee's second scheduled day off;
 3. all hours worked on a day the employee was scheduled to receive a statutory holiday or, where a holiday is rescheduled pursuant to Article 27.1(b) (Statutory Holidays), on a scheduled day off in lieu of a statutory holiday.

Overtime rates will be calculated on base rates only, and not on shift premiums.

(c) Overtime Rights

- (i) A staff employee shall refuse to work overtime, except in emergency circumstances, unless the hours are approved and recorded in the department and with Employee Relations.
- (ii) A staff employee shall not be required to take time off during regular hours to compensate for overtime worked. By mutual agreement of the employee and his or her immediate supervisor, authorized overtime may be taken as time off in lieu of paid overtime. Where time off is taken in lieu of overtime, such time off will be taken at the equivalent time of the rate earned when the overtime was worked, and shall be taken at a mutually acceptable time which is convenient to the needs of the department, but no later than the completion of the employee's next scheduled regular vacation period, or March 31st following the vacation.
- (iii) A meal break of one-half (1/2) hour paid at the applicable overtime rate shall be given to an employee if the overtime worked extends more than two (2) hours beyond the completion of the employee's scheduled shift.

(d) Calculation of Overtime

- (i) For the purpose of calculating the hourly rate, an employee's monthly rate shall be divided by one hundred and fifty-two (152).
- (ii) Should the hourly rate arrived at result in a fraction of one cent (1 cent), it shall be taken to the next highest full cent.

(e) Allocation of Overtime

Whenever practicable, overtime worked within a department shall be allocated among the employees within that department on an equitable basis.

17.7 Call Out

- (a) Employees called out to work before the beginning of their work days or back after completing their work days, where such work is not continuous with their regular shifts, shall be paid for a minimum of four (4) hours.
- (b) Cancellation of call out before the employee starts work shall result in a two (2) hour minimum at the applicable overtime rate.

17.8 Work Allocation for Staff within a Department

This work allocation includes the assignment of additional (top-up) work and overtime for Staff with shared job titles and retired Staff

Where additional generalized work in a department is available to be offered to multiple employees who hold the same job title, work will be distributed in the order specified below:

Occasional Work

- Step 1 Type A Staff (permanent employees) with <100% contracts shall be topped up to 100% in an equitable manner according to seniority and qualifications.
- Step 2 Type C and Type D Staff working <100% in a department will be offered additional work up to 100% in an equitable manner according to seniority and qualifications.
- Step 3 Retired Type A Staff who have expressed to UCFV an interest in being an auxiliary employee in their former department shall be offered up to 140 hours of work per fiscal year in the department from which they retired, provided they are qualified.

Overtime

- Step 4 Type A Staff with 100% contracts shall be offered overtime work in an equitable manner according to seniority and qualifications.
- Step 5 Type A Staff with <100% contracts topped up to 100% in Step 1 (above) shall be offered overtime work in an equitable manner according to seniority and qualifications.
- Step 6 Type C and Type D Staff topped up to 100% in Step 2 (above) will be offered overtime work in an equitable manner according to seniority and qualifications.
- Step 7 Retired Type A Staff (as described in Step 3) working at 100% shall be offered overtime work, bearing in mind that the overtime hours will count towards the 140-hour yearly work allotment at the appropriate calculated rate – either time and one half or double time.
- Step 8 Any remaining available work will be assigned at the discretion of the department.

Principles:

Determination of available work as ‘overtime’ will be at the discretion of the Manager/Supervisor.

Where a Supervisor/Manager has determined that work should be offered to existing employees as overtime, “an equitable manner” shall be interpreted to be a reasonable method in which Supervisors/Managers have made every effort to ensure that the most employees benefit, in descending order of seniority, while respecting the particular needs and parameters of the department to meet short-term, unexpected staffing needs and to maintain efficient functioning.

In cases where staff eligible for work have not previously performed the particular work available, the Supervisor/Manager of the area will consult with employees regarding the desire for overtime, review their qualifications, and determine their ability to perform the work.

If an employee is unavailable for top-up or overtime work when offered, they do not lose their place in the call-out order.

Supervisors/Manager will not be expected to split work available on any given day into shifts of less than 7 hours except where the needs of the department are best met by doing so. No shifts of less than 4 hours will be assigned as a result of this agreement.

18.3 Work Load for Faculty

- (a) Full-time Type B faculty teaching semester-based courses that are of duration 3 to 4.5 contact hours per week will have a seven-course per year load.

- (b) Faculty in Math, CIS, Physics and CCP teach a six-course load per year; for faculty in ESL, the workload will be 12 courses per year.

- (d) The normal teaching duties for a full-time instructor who teaches in a program organized on a training-day basis or which is funded as a vocational program shall not normally exceed twenty-five (25) hours of classroom instruction per week.
- (e) The assigned duty time for full-time non-classroom based faculty employees shall not normally exceed thirty-five (35) hours per week.
- (f) As far as is possible, all instructional faculty shall be eligible to teach the full range of UCFV offerings within their assigned instructional areas. No faculty in the departments which offer third and fourth-year courses will be exempt from teaching courses at the first and second year levels.

- (j) Any scholarship undertaken as a result of the reassignment of workload shall be subject to evaluation as part of the faculty member's regular workload.
- (k) Instructors who are to be evaluated on additional scholarship must be granted a reassignment of teaching or other duties in order to allow them the opportunity to perform these assignments satisfactorily.
- (l) Sessionals greater than 50% are encouraged to participate on UCFV committees.

18.4 Workload for Science Faculty and Lab Instructors

For the purposes of this section, Science faculty are defined as those who teach in Biology, Chemistry or Physics. There are two types of faculty in Science, Lecture Faculty and Lab Faculty (also known as Lab Instructors).

- (a) Science Lecture Faculty will have a seven course load per year. To the extent faculty instruct in labs of courses numbered 099 or below, each lab shall count as 50% of a course. To the extent faculty instruct in first-year labs, each lab shall count as 75% of a course. To the extent faculty instruct in second-year and above labs, each lab shall count as 100% of a course.
- (b) Science Lecture faculty's contact hours will be 16 hours per week. To the extent faculty instruct in labs of courses labelled 099 and below, lab hours count 50% of a lecture hour. To the extent faculty instruct in first-year labs, lab hours are 75% of a lecture hour. To the extent faculty instruct in labs in courses labelled 200 and above, lab hours count 100% of a lecture hour.

Course Number	Lab Equivalent	Lecture Hour Equivalent
099 and below	50%	50%
100 level	75%	75%
200 level and above	100%	100%

- (c) The weekly maximum hours in actual class instructional time shall not exceed 18, except by overload compensation or equivalent reduction in hours of instruction in the ensuing semester or academic year.
- (d) The lab portion of science courses shall not exceed 18 students, except in those courses determined by the department head where the maximum class size may be 24, or by invoking the following (Lab instructors will not normally be assigned to instruct these sections):
- Lab Instructors will have a faculty workload, the contact hours normally being 18 per week. Departments may, with approval of the Dean and the Lab Instructor(s) affected, alter the number of sections and section sizes to accommodate the same total number of seats available for students. In the departments where labs are offered and in which there are insufficient Lab Technicians available for the resources provided to the departments for technical duties, Lab Instructors may request that a portion of their workload be assigned to technician duties. Any such assignment will require agreement of the Lab Instructor, Department Head, and Dean.
- (e) When sufficient lecture work exists, lecture faculty agree to vacate instruction of first year labs, which will be assumed by lab instructors. On occasion and when required, faculty may teach a first year lab to fill out their instructional workload. When this occurs, no Type B lab instructor can be displaced from a lab.
- (f) The Employer and the Association agree to a lab instructor pay scale of Step 1 to Step 6 inclusive from the faculty scale, as shown in Article 20.9 (Lab Instructor Schedules).
- (g) The Employer agrees that lab instructors who are assigned lab technician duties maintain their faculty position and rate of pay.
- (h) Lecture faculty and lab instructors are obligated to consult and agree on matter of common concern such as the compatible sequences of lectures and labs.
- (i) The Employer agrees to provide lab technician support in those labs offered by lecture faculty, where the Department determines that safety concerns and instructional complexities require two employees.
- (j) The Employer agrees that when a "lab only" course is offered, the actual time of instruction shall apply, as in lecture courses.

18.5 Work Load for Nursing Program Faculty

Faculty in the Nursing Program will average seventeen (17) contact hours per week, over an academic year. The length of an academic year is two terms of fourteen (14) weeks and one term of four (4) weeks.

18.6 Student Loads

- (a) Full-time Type B faculty must teach a student threshold of 150 students or more in an academic year (Spring, Fall, Winter) counted on stable enrolment dates. Type B faculty on reduced contracts will have their threshold reduced accordingly.
- (b) Faculty failing to reach their threshold will be required to teach an extra section in the same or following year OR faculty could agree to increase their class sizes in year two to reach the 150 student limit from year one.
- (c) Science Faculty teaching a double block lab count students in the same manner as a class.
- (d) When reviewing student loads, UCFV will take into account whether a faculty member was teaching on more than one campus, departmental needs, physical space limits and other issues that were beyond the control of the instructor. Should UCFV decide to use 18.6(b) above to fulfill the 150 requirement, it would go to LAM for a full review prior to implementation.

18.7 Work Load Modification

- (a) Type B teaching faculty may request a one course release or equivalent funding related to their research as a research option and/or scholarly activity option.

Faculty requesting either one or both of these options must contact the Dean of Research for further information.

Student loads are expected to continue to reach the 150 threshold as per 18.6(a) above. Faculty with concerns regarding meeting student load thresholds should contact the Vice President Academic for assistance.
- (b) Upon the recommendation of the departments, and with the approval of the appropriate Dean, instructors preparing and teaching courses new to the UCFV curriculum or supervising graduating projects in degree-completion programs will have up to one course reassigned to these tasks.

18.8 Daily Limits

A faculty employee shall not normally be required to have more than seven (7) class contact hours in any one (1) instructional day, and the length of the instructional day shall not normally exceed twelve (12) hours. The faculty employee shall not normally be expected to teach both an evening section and any block which begins less than twelve (12) hours after the evening section ends on the following day.

18.9 Weekly Limits

The work week shall not normally include more than thirty-five (35) hours of assigned duty time during which an employee is required by the Employer to be at a specific location.

18.10 Overloads

- (a) No faculty employee shall be required to teach an overload.
- (b) Faculty may bank overload sections to be used later for release (e.g.: seven for a two-semester leave, four for a one-semester leave). Faculty may choose to reduce their workload at any time by the number of sections banked. Faculty can ask to be paid out the banked sections at any time.

18.11 Class Size

- (a) Class size for semester-based courses shall not normally exceed thirty-six (36) students. Class sizes for some courses may have maximum enrolments of less than 36. The laboratory portion of Science courses shall not normally exceed twenty-four (24) students (see 18.4 (d) above). Class size for training-day based courses shall not normally exceed twenty-two (22) students. Within the maximum limits stated above, policy decisions regarding class sizes for individual courses will be determined by the Instructional Deans.
- (b) For the purpose of application of class size limits, actual enrolment in a given course section is determined on the date specified by the Ministry of Education for reporting stable enrolment figures.
- (c) The class size of an individual course section may not be unilaterally increased by management. The department and instructor must consent in writing to the increase.
- (d) The class size of an individual course section may not be unilaterally decreased by an instructor or department. The Dean of the area must consent in writing to the decrease.
- (e) Class size increases or decreases are a matter for joint union-management consultation. Present maximum enrolment limits for each course will be presumed to be acceptable unless either side requests a review.
- (f) If the dean, instructor, and department cannot agree on the maximum class size in a particular course section, course or courses, they may apply to a joint review committee composed of the Vice President of Finance & Administration, the Vice President, Academic, the Association Agreements Chair, and two additional Association Executive members. Agreement shall not be unreasonably withheld.
- (g) If either side requests it, a Task Force may be appointed to review class sizes on an institution-wide basis over the term of this agreement. The Task Force should have equal representation from the Association and management, and should make every effort to represent a cross-section of instructional areas.

18.12 Faculty Duties

- (a) In addition to instructional duties, a teaching faculty employee's duties **shall** include, but are not necessarily limited to, the following:
 - (i) Scholarly Activity and/or Professional Development;

 - (vi) other related duties.
- (c) The teaching faculty duty year shall consist of the following:
- (i) one hundred and ninety (190) days duty time;
 - (ii) twenty (20) days approved professional development time;
 - (iii) forty (40) consecutive days annual vacation.
- (d) Faculty non-instructional duties are to be approved by the appropriate administrator in consultation with the Department Head in accordance with duties described in 18.12 (a) (Faculty Duties).

 - (ii) forty (40) consecutive days annual vacation;
 - (iii) the remainder of the year as assigned duty time.
- (h) For all academic assistants, the duty year shall normally consist of the following:
- (i) up to ten (10) days approved professional development time;

This plan will take into consideration the needs of the faculty member as much as possible, but also respond to the needs of the department, UCFV and the students.

- (j) UCFV Administration, in consultation with Program Heads and Department Heads, shall examine closely ongoing curriculum development needs and other indirect instructional considerations of departments to ensure that training-day-based faculty have sufficient time to perform these essential tasks well. It is recognized that some variation will occur across UCFV, but conspicuous inequities between all program areas will be reduced to a minimum. Where possible, immediate adjustments will be made to shorten direct instructional loads of training-day-based faculty to reflect these concerns.

18.13 Course Preparation Limits

An instructor teaching courses in a semester-based program shall not normally be required to prepare more than three (3) different courses per semester, or more than five (5) courses per academic year.

A sixth prep will be required under the following circumstances:

- Instructor has not met the 150 student target the previous year
- Department and the Dean agree that no re-arrangement of course assignments in the department can reduce the number of preps for this instructor to five (5), without at the same time causing contractual problems for the other members.
- Instructor has been offered the possibility of increasing their class sizes, and has either declined or it has been determined (by the Dean) that there is insufficient demand to meet the 150 target for both the current and previous years.
- The Dean is satisfied that other options, such as this instructor teaching two sections of a course in another department, have been thoroughly explored.

18.14 Exceptions

Exceptions to the provisions regarding normal working conditions for faculty will be resolved upon recommendation of the appropriate Department Head or Program Head and approval of the appropriate Instructional Dean.

18.15 Assignment of Courses for Faculty

Available work will be distributed to department members in the order specified below.

- Step 1 All Type B Faculty shall be given first priority for existing work up to their contracted Type B workload fraction. Course assignments will reflect the educational requirements and expertise with the program area or department. Type B Faculty, regardless of seniority, are responsible for sharing the department's teaching duties on various campuses, across all time blocks. Department Heads should make every effort to ensure that those aspects of the department's course load are rotated among Type B Faculty in an equitable manner. In cases where Type B Faculty have not qualified by teaching an available course previously, they may request that a standing SAC review their qualifications to teach that course.
- Step 2 Type B Faculty with <100% contracted Type B workload fraction shall be topped up by seniority and qualifications.
- Step 3 Sessionals who had worked in fiscal year 2002-03 will be offered the same workload as they received in 2002-03, but not more than the normal maximum for their area. Sessionals who have only taught one course at UCFV before 1st April 2003 are excluded from this section, but will be included in Step 8 below.
- Step 4 Type B Faculty working at 100% workload fractions for their area shall be offered one course, by seniority, provided they are qualified.
- Step 5 Retired Type B Faculty shall be offered up to three courses per year, with departmental approval.
- Step 6 Type B Faculty with one overload shall be offered a second overload by seniority, provided they are qualified, AND THEN each Type B Faculty with two overloads shall be offered a third overload by seniority (provided they are qualified).
- Step 7 Sessionals who have worked during the previous two academic years shall be offered the same amount of work as the year before, by seniority in their position and by qualifications, up to a maximum of three courses.
- Step 8 All remaining sections will be assigned at the discretion of the department.

The procedure for the assignment of courses, as outlined in the UCFV Procedure for the Assignment of Courses Policy, cannot be altered without the approval of the Association and the Employer.

STEPS 2 - 5: Course Allocation

Additional courses will be offered as available, by seniority and qualifications, to each individual until they reach 100% faculty workload fraction for their area.

STEPS 6 and 7: Course Allocation

Additional courses will be offered as available, by seniority and qualifications, one course to each individual, in successive rounds. No individual gets a second course until all members have been offered a first course, and so on.

Note: Access to the overload provisions in a department shall be proportional to the percentage of the Employee's B Contract in that department.

18.16 Re-Adjusting a Members Regularization Point

If a part-time Type B faculty teaches above their regularization percent for a period of three consecutive years the faculty members' Type B contract will be elevated to the average workload of the three year period.

This will apply to:

- (a) Any member who obtained their Type B contract before April 1st 2003,
- (b) Any member who obtained their Type B contract or will obtain their Type B contract, through the former regularization track (reg track) procedure cited in Article 14.6 (Regularization of Employees) of the 2001-2003 Collective Agreement (Also known as Category I Reg track candidates).
- (c) Any member on Reg track by Category II or III designation shall be awarded the adjustment cited above at the discretion of the Vice President, Finance and Employee Services.

18.17 Department and Program Head Duties

Department and Program Heads are responsible for the general administration and co-ordination of the department. This general co-ordination and administration is to ensure consistent and timely attention to operating needs of the department and program. The Head will implement UCFV procedures and guidelines to ensure fairness in scheduling, allocation of work, and the delegation of tasks to department members from the Departmental Task list to ensure equitable workloads. The Head is responsible for promoting and maintaining the long-range interests and goals of the department or program.

While clerical and organizational duties may in rare cases be performed by Heads, it is recognized that the Head's role is as a faculty member, and so his/her duties should be confined to those requiring the role or judgement of a faculty member. Routine tasks such as information gathering, departmental record keeping, and administration of student files will ordinarily be performed by staff employees, under the supervision of the Head and the Dean.

Duties of the position will include co-ordination of departmental responsibilities as detailed in the Departmental Tasks document. Priorities for the department will be set through discussions with the Dean of the area, and with the department. While it is expected that the Head will complete many of these tasks, others will be assumed by members of the department.

18.18 Working Conditions for Directors

Directors shall normally work regular schedules of thirty-five (35) hour weeks, with no less than two (2) consecutive days off per week, to meet the needs of their specific area and UCFV in general.

Where the nature of the position requires evening or weekend work, thirty-five (35) hour work weeks will be taken as an average when determining the extra hours worked. The amount and the scheduling of compensatory time shall be mutually agreed upon by the appropriate senior administrator and the Director.

In addition to their regular duties, Directors have an obligation to participate in UCFV-wide committees and to undertake approved professional development. In order that they may fulfill the later obligation, Directors shall be granted up to 15 days per year by the appropriate Vice President for approved professional development activities as distinct from their annual vacation entitlement.

ARTICLE 19: STAFF WAGE RATES AND SALARY SCHEDULES

- (b) When a position is reclassified to a lower rated pay group, any incumbent employees shall continue to receive the same rate of pay they had been receiving, but will not receive any further increments or pay increases until such time as the new rate for appropriate service in the reclassified position equals or exceeds the rate the employee has been receiving.

- (c) Reclassification shall not affect an employee's increment anniversary date, seniority, or entitlement to benefits, except as may otherwise be specifically provided in this Agreement.
- (d) An employee may grieve improper classification.

- (b) An increment may be withheld or, in the case of an employee at maximum, withdrawn for less than satisfactory service based on the employee's evaluation report.

Type C, Type D and Sessional employees are limited to Article 23.2 (Leave for Court Appearances), Article 23.8 (Special Leave – Type C, Type D or Sessional Employees), and Article 23.3(c) (Unpaid Parental Leave of Absence). In the case of Sessional faculty instructing semester-based courses, notice to re-enter will coincide with the inception of the Fall or Winter Semesters.

ARTICLE 24: SHORT-TERM DISABILITY LEAVE, INCLUDING SICK LEAVE

24.1 Short-Term Disability Leave

Short-Term Disability Leave (STDL) is intended as a form of income protection against injury or illness which would otherwise result in income loss.

24.2 Eligibility for STDL

Type A, Type B or Type C employees become eligible for STDL benefits upon commencement of service with UCFV.

24.3 STDL and Workers' Compensation

- (a) In the event that an employee is absent from work as the result of an illness or injury for which the employee is receiving benefits under the Workers' Compensation Act of B.C., the employee is entitled to the STDL benefits under this Agreement during such absence, provided that the Workers' Compensation benefits are paid over to the Employer.
- (b) Type C employees receive Short-Term Disability Leave benefits until the end of their contract period only.

24.4 STDL Benefits

- (a) In any one (1) calendar year, a full-time Type A, Type B or Type C employee is eligible for the following STDL benefits:
 - (i) a total of thirty (30) work days of coverage at one hundred percent (100%) of the employee's applicable rate of pay;
 - (ii) if and when the thirty (30) days provided for in (i) have been used, a further total of sixty-four (64) work days of coverage at 70% of the employee's applicable rate of pay;
 - (iii) in the event of an absence for reasons of illness or injury which exceeds ninety-four (94) consecutive calendar days, the LTD provisions of this Agreement come into effect and take precedence over the STDL benefits.
- (b) In any one (1) calendar year, a part-time Type A or Type B employee is eligible for STDL benefits on a pro-rata basis. The following formula will be used to calculate the pro-rata entitlement:

$$\frac{ADD \times PTWL \times 100}{1824} = \text{Percentage of STDL days}$$

Where:

ADD = "Assigned Duty Days": the number of assigned duty days in a calendar year required by a particular appointment.

PTWL "Part-Time Work Load": the work load assigned to the particular employee, expressed in working hours, or equivalent, per day.

1824 = the number of working hours in a full-time work year, calculated on the basis of one hundred and fifty-two (152) work hours per month, multiplied by twelve months per year.

- (c) Faculty and Staff with 50% or greater contracts accrue a proportion of the 30 days sick leave. Faculty and Staff with less than 50% contracts are not eligible for sick leave.

24.5 Qualifications on STDL Absences

The following qualifications apply to any claim for benefits under the STDL plan:

- (a) **Casual Absence:** An absence of three (3) consecutive work days or less due to illness or injury will be referred to as a "casual absence" and will not normally require a physician's certificate. However, where there appears to be excessive use or abuse of such absences, medical certificates acceptable to the Employer may be required.
- (b) **Extended Absence:** An absence of more than three (3) consecutive work days due to illness or injury will be referred to as an "extended absence". A medical certificate acceptable to the Employer shall be required for any such absence.
- (c) **Recurrent or Persistent Absence:** In cases of recurrent or persistent absences due to illness or illnesses, the Employer may:
 - (i) require a medical evaluation of the employee's suitability for continued employment, and/or
 - (ii) require employees to take sick leave until they can produce medical evidence acceptable to the Employer that they are again fit for their employment.
- (d) **Quarantine:** In the event that employees are placed under quarantine due to the illness of others, the employees will be entitled to receive STDL benefits in the same manner as they would if they were suffering from the illness.

24.6 Change in Entitlement

In the event that employees who have been absent due to illness or injury return to work but only to shorter hours or reduced workloads, they shall be entitled to future STDL benefits only on a pro-rata basis.

24.7 Medical Certificates

- (a) In addition to those circumstances specified in relation to casual absences, extended absences and recurring or persistent absences, the Employer may require an acceptable medical certificate in any case where at least twenty (20) work days have elapsed since the last medical certificate was received, and the employee has been in receipt of STDL benefits throughout that period.
- (b) The Employer will only recognize medical certificates completed by medical practitioners qualified to practice in the province of B.C., or a professional consultant to whom the employee is referred by such a medical practitioner.
- (c) The Employer may cease to pay STDL benefits, or may reclaim such benefits which have been paid, when an employee does not provide requested evidence of medical disability during the benefit period, or within five (5) work days after returning to work.
- (d) The costs of medical examinations and certificates, as required to substantiate claims under the STDL plan, shall be the responsibility of the employee. An employee is not entitled to take time off with pay in order to attend such examinations or to obtain such certificates. At the discretion of the Employer, time off with pay may be granted where the employee can demonstrate unusual or emergency circumstances.

- (e) The Employer may require an employee who is claiming STDL benefits to be examined by a medical practitioner selected by the Employer.

24.8 Integration with Other Disability Income

In the event that an employee is entitled to receive disability income benefits from sources other than these STDL provisions for the same illness or injury, then the STDL benefits will be reduced by any amount by which the total benefits received from all sources is in excess of one hundred percent (100%) of the employee's normal earnings from UCFV.

24.9 STDL Benefits not Payable During Certain Periods

STDL benefits will not be paid during the following periods:

- (a) When employees are absent on annual vacation;
- (b) When employees are engaged in other employment. An exception will be made in circumstances where there is medical evidence that the illness or injury prevents them from carrying out their duties for UCFV but nevertheless allows them to perform work tasks in other employment without impeding recovery;
- (c) While on strike or locked out, unless the strike or lockout occurred after the commencement of the illness or injury;
- (d) During a suspension without pay;
- (e) During any leave of absence without pay, except where dictated by legislation as in the case of maternity leaves, or as otherwise specifically provided for in this Agreement;
- (f) During any leave of absence with less than normal pay, except as specifically provided for in the granting of such leave, as in the case of Educational Leave;
- (g) Any time period in which the employee would not have been deemed to be working for the Employer under the terms of his or her appointment.

24.10 Employee's Responsibility

- (a) An employee who is unable to report for work as a result of illness or injury shall inform the Employer, or cause the Employer to be informed, as soon as possible. In all such cases, it is recognized that time is of the essence because of the possible need to schedule relief employees.
- (b) Pursuant to UCFV procedures, the employee may be required to inform the Employer of the expected date of return to work, the nature of the illness or injury, and the name of the employee's attending physician.
- (c) All absences will be recorded by the employee on prescribed Absence Reports and submitted to the appropriate administrator.

24.11 Calculation of STDL Periods

STDL will be calculated to the nearest half (½) day in the case of Type A and Type B employees. In the case of Type A and B part-time employees, STDL will be pro-rated as otherwise provided in this Agreement.

24.12 STDL Benefits Upon Layoff

- (a) Subject to (b) below, employees who are receiving STDL benefits shall continue to receive such benefits upon layoff until the termination of the illness or injury or until the maximum benefit entitlement has been utilized, whichever comes first, if the layoff notice is given after the commencement of the illness or injury for which STDL benefits are being paid.
- (b) In the event that the layoff notice was given prior to the commencement of the illness or injury, benefits will cease on the effective date of the layoff only if the illness commenced within two (2) months before the effective date of the layoff.

24.13 Medical and Dental Appointments

- (a) The Employer is under no obligation to grant time off with pay to employees for purposes of medical and dental appointments. At the discretion of the Employer, time off with pay may be granted where the employee can demonstrate unusual circumstances. Leave for non-routine medical and dental appointments is covered by Article 23.7 (Special Leave) or Article 24.5(a) (Qualifications on STDL Absences).
- (b) Permission to attend medical and dental appointments during work hours may be granted by an employee's administrator, provided that acceptable arrangements are made, such as making up time or adjusting pay.

24.14 Time Qualifications

- (a) In the event that an employee is absent due to the same illness or injury over a period of time which bridges from one calendar year into the next calendar year, the absence will be recognized to be continuous and the employee does not then begin the new calendar year with a renewed entitlement to STDL benefits. The employee would continue to receive STDL benefits until the total of ninety-four (94) work days of entitlement have been utilized.
- (b) Should the employee then return to work and subsequently be absent in the same calendar year with a new and unrelated illness or injury, the employee's entitlement to STDL is limited to the total of ninety-four (94) work days in that calendar year, less the number of work days already utilized with the first illness or injury in that same calendar year. However, the first thirty (30) days of STDL for the new and unrelated illness or injury will be paid at one hundred percent (100%) of full pay, with the remaining entitlement paid at seventy percent (70%) of full pay.
- (c) In the event that an employee returns to work from an absence due to illness or injury, then suffers a relapse which requires a further absence from work commencing within three (3) months of the return to work, the employee's STDL benefit does not begin again. In such case, the absence is deemed to be continuous for purposes of benefits claimed under the STDL plan.
